

PADDLE

4th Court Status

Unfortunately, the construction of the 4th court continues to be delayed. At this point, we've been told it'll be in by Thanksgiving, but it's not a guarantee. In the meantime, we are doing everything we can to have the site completely prepared so that once the court is in, we can play!

Please be patient with all the work that is going on around the courts. We are doing our best to minimize the impact on playing, however, contractors are very busy and in most cases we're fortunate to get them out at all. Picking the most opportune times isn't an option. Of course, our plans were to have everything done by early September, but in these times of high demand and low availability, that just wasn't possible. (Our pool members are still waiting for a diving board that was ordered last February!)

Paddle Heaters

Several of the court heaters were deemed not reparable, so we are replacing them. They are on order and most are in stock and expected to arrive this week. The smaller ones for court one are backordered and will (hopefully!) arrive in the next 1-2 weeks.

Chesterbrook Academy & Parking

As a friendly reminder, please be sure to only park in the designated Picket Post spaces. We understand that the lot can be crowded during busy points in the day, and this can be very frustrating, but it is so important that we continue to do our best to share the space appropriately. Remember, there are little kids darting out from behind their parents sometimes.

Thank you so much for your understanding & courtesy as we work to collaborate with our community!

TENNIS/PICKLEBALL

Property Sale Update

Settlement date on the property was postponed until January 17th. The new owners will take possession of the property on that date. We expect to know before the end of December if we have an agreement in place to lease back the property for the 2023 tennis/pickleball season. In the meantime, we are exploring additional options.

Getting Ready for Winter!

The weather is still warm enough to keep the har-tru courts and bathrooms open for another week or two. By mid-month, the courts and bathrooms will be closed and remaining windscreens taken down.

Two pickleball courts and the hard tennis courts will remain open for use on those rare warm winter days.

Exact date will be communicated on TeamReach.
